Livingston Group is not on contract for Northern Dynasty. Steptoe and Johnson are/is. In fact, I ran into Duane Gibson today. Most of the Pebble guys don't much care for Northern Dynasty, mostly for being a junior trying to tackle a super large project on their own, initially, and not doing a very good job of relating to the community.

Thanks. Saw it. Dumb move. Suspect it's a product of the Livingston Group's thinking/advice.

Northern Dynasty's ad on page 7 of today's Washington Post. Half page.
